August has been an absolute whirlwind!

Our Hospital Open Day was a smashing success and although we are still relishing in a fantastic day that was, we are now gearing up for one of the biggest months here at the Sanctuary!

We're launching into September with a bang, starting with Koala Month celebrations. Get ready for an entire month of wholesome, engaging activities and unforgettable experiences for both the young and young at heart.

To kick it all off, this weekend, we want to celebrate our beloved Fathers and Father figures in style! So get ready to show the main men in your life some serious love and appreciation, and come and enjoy all we have to offer.

Where else would you want to spend this September, than here with us at Currumbin Wildlife Sanctuary!

Koala Month

This September we shine the spotlight on one of our most precious animal ambassadors... the Koala!

Along with a suite of activities throughout the month, the 29th September will bring everything together with Save the Koala Day!

This special day will include iconic tree planting, an activity that enviably supports this endangered species!
