To Whom It May Concern;

With the growing number of young people at Palm Beach Scout Group so far this year (currently 68 youth members) financial assistance is necessary to maintain our gear and equipment and to give all our kids the best opportunity for success.

We have a number of fundraising events occurring this year. All our fundraising goes towards the purchasing and maintaining of our camping and outdoor equipment, and resources used to run sections, as well as promoting our Scout Group in the community.

We are asking if your business would be in a position to donate products/services to our Scout Group.

Palm Beach Scout Group have a well established Cub Scout Pack (ages 7 - 10.5 years) with 23 youth and 1 leader; a Scout Troop (ages 10 - 14.5 years) with 35 members and 3 leaders; and a Venturer Scout Unit (ages 14 - 18 years) with 11 members and 2 leaders.

If you are able to assist us with donating of products and services please let me know as we are happy to pick up donations as required.

Should you have any questions or queries in relation to our requests or Group, please contact me.

Kind Regards,

Fundraising Co-Ordinator
Palm Beach Scouts
