

LITTLE DREAMERS

Gold Coast Holiday Program

Thursday 24 September

Who are we?

Little Dreamers was created by Young Carers, for Young Carers. As Australia's leading Young Carer organisation, we work with young people who provide unpaid care for a family member with a disability, illness or addiction across a range of direct support programs.

Over the past 11 years, we've become a game changing force in the Young Carer space, developing internationally recognised best practice programs and changing the lives of thousands of Young Carers across the country.

We're working to improve the quality of life of Young Carers, with a vision to ensure that every single Young Carer around the world is supported by someone or something by 2030.

What is the Holiday Program?

Our Holiday Program provides Young Carers with fun, adventurous and interactive activities on the school holidays, giving them some respite and the chance to connect with other Young Carers. The program is led by our fabulous team of staff and volunteers!
