2021 Year 13's

Are you in contact with your 2020 year 12 Graduates? If you are and they are interested in getting into a trade please get them to check out our Facebook page as we have several apprenticeship opportunities available right now.

Do you have an event happening at your school?

2020 was a year like no other and I am sure we can all agree that engaging with schools and students from an RTO's point of view was really missed. We would love to be invited to any events you may have coming up. Whether it is your career expo, networking breakfast, mock interviews or chatting to your current year 12 students, we are here to assist. Simply send the invitation through to us at VETiS@peopleperformance.com.au

Trades Careers Expo

Gold Coast Trades College are excited to announce we will be having a Trades Careers Expo at our campus on **21st April 2021**. Your students will have a chance to tour our campus, speak with industry experts, try a trade and much, much more.

Please save the date.

All schools will be invited to attend. Invitations will be sent out shortly.
