Graduation 18th June 2021

1 Term 1 Graduates

We were excited to be able to celebrate our first class completing in 2021.

Our Friday Automotive class received their certificates with family and friends present and we were even lucky enough to have a few school representatives come along.

Congratulations again to these students.

6 Do you have an event happening at your school?

Thank you to those who have already invited us to events at their school. It is great to be able to engage with students and parents again.

We would love to be invited to any events you may have coming up. Whether it is your career expo, networking breakfast, mock interviews or chatting to your current year 12 students, we are here to assist. Simply send the invitation through to us at:
