

# aleeda

## Are you wanting work in/learn fashion skills & clothing production?

Learn skills that could lead to study in fashion design

Assist with producing some leading brands of clothing & swimwear

**Aleeda Australia at Burleigh Heads** are recruiting for Clothing Production Assistants with support from the Department of Employment, Small Business and Training funded programs.

**4 x Casual (full-time, Part-time & School hours) Clothing Production Assistants skilled or unskilled (learning) roles or traineeships**

### **Jobs across different teams to consider:**

The team includes sewing, printing, cutting and design staff along with production management and quality control. All of these roles make it possible for Aleeda to make the gear you want.

**You will gain all the skills to work in the fashion industry that would give you better understanding and skills if you want to become a fashion designer or just want to enjoy a job making clothing.**

**Applicants must be able to get transport to Burleigh Heads – Taree Street for the roles.**

**If interested, please register with your contact details to**
