## **YR 11 ACADEMIC BOOTCAMPS - REGISTER NOW!**

From 1-5 July 2019, Griffith University's Science on the GO! will hold the first of its Academic Bootcamp series. The courses are designed to assist Year 11 students to improve their confidence and understanding in a subject area and achieve their full academic potential.

### **UNIT 1 REVIEW + UNIT 2 HEAD START**

Held in the school holidays and targeted to Year 11 students, these Academic Bootcamps will cover key topics in the Senior Curriculum. It will allow students to review and consolidate their learning from Unit 1 and also give them a head start and introduction into Unit 2.

### **BIOLOGY - CHEMISTRY - PHYSICS - MATHS METHODS**

Subjects offered will be Biology, Chemistry, Physics and Maths Methods. All will be run in a half-day format, allowing students to sign up for up to two subjects. Subject material has been designed and will be delivered by committed and enthusiastic lead teachers, who are currently teaching these topics in schools.

## **GOLD COAST CAMPUS - JULY SCHOOL HOLIDAYS!**

Held on Griffith's dynamic Gold Coast campus, students can have a taste of university life. The bootcamps will be held in University lecture theatres and tutorial rooms by teachers and tutors who are committed and enthusiastic about helping students achieve academic success.

### **TIMETABLE - Monday 1 July to Friday 5 July**

#### **Morning Sessions (9.00am -12.30pm):**

Biology, Maths Methods and Chemistry

#### **Afternoon Sessions (1.30pm – 5.00pm):**

Physics and Maths Methods

### **COST \$125**

per course incl GST for 17.5 contact hours
