

VOLUNTEERS WANTED!!

Scouts Palm Beach needs your help

We are seeking positive role models to mentor our youth & become Scout leaders.

Scouts Australia volunteers are enthusiastic and dedicated men and women from all walks of life who share a love of adventure and a desire to enrich young people's lives.

Leaders are not required to have previous skills & knowledge of Scouts, as each person is developed using eLearning, residential training and one on one mentoring. All training is funded by the scout group, so there are no out of pocket training expenses for volunteers (just uniforms for leaders). You will not be alone when you volunteer as a leader; there is a whole support system.

We run section nights weekly during the school term and occasional weekend activities throughout the year. We are happy to discuss these details with you.

There are plenty of flexible ways adults can get involved with or contribute to their local Scout Group, without making the time commitment required for a uniformed leadership role also.

Adults can help by:

- Assisting with activities
- Joining the Group Committee and/or assisting with administration
- Helping to fundraise
- Providing transport
- Volunteering for duties such as Scout Hall set up
- Helping with DIY jobs or gardening at the Scout Hall
- Organising a Group excursion to their workplace
- Assisting with food preparation
- Offering their unique talents and skills for a Group theme night

Volunteering for roles such as these helps to 'free up' the uniformed Leaders so they can focus on planning and running activities, and providing youth members with the best possible Scouting experience.

We have a lot of fun at Scouts, and we would love you to join us.

Please call Cindy to discuss
