I'm a parent of a child already attending these classes in the ACT and as my family are relocating to the Gold Coast at the end of 2019, we're looking to establish these after school classes on the Gold Coast from 2020. If you live in the Gold Coast area and you or your child age 7-18 holds Spanish Nationality, I'd love to hear from you. We need to inscribe/enrol this coming September 2019 to be able to start classes in 2020.
