

VET News

Students are asked to please see Mr Poirrier in G Block Staffroom if they are interested in any of the VET certificate courses mentioned below.

Congratulations

Congratulations to the following students who recently completed their Cert I Construction at Gold Coast Trades College

- **Noah Cheevers**
- **Rowland Brabant**
- **Noah Waters**

Courses commencing in Term 4 2022

Gold Coast Trades College, TAFE, and other providers, have a number of Term 4 openings for Year 11 students who have not yet used their VETis funding.

Gold Coast Trades College

- Certificate II Plumbing (this is a new course offering at GCTC)
- Certificate I Construction
- Certificate II Electrotechnology
- Certificate II Automotive

Students commencing Year 11 in 2023

It's time for interested Year 10 students to start thinking about VET certificate options for 2023. Gold Coast Trades College is already advertising their 2023 course offerings. Courses which are open for enrolment include:

- Cert II Electrotechnology
- Cert I Construction
- Cert II Automotive
- Cert II Plumbing

Note: Students who enrol in a VET certificate course with GCTC attend their training facility in Currumbin one school day per week. Students undertake external VET courses in addition to their timetabled senior subjects.

See Mr Poirrier in G Block staffroom for more information.

GCTC Try-a-Trade days

Gold Coast Trades College has opened a number of spots for their trade taster days. These days do not use any funding and are free for students to attend.

Expressions of interest are now open for Years 9-12 students interested in participating. Students will attend the college for two days in Term 4. Time to enrol is running out so please see Mr Poirier to express your interest.
