

**Beach Patrol without the Waves on the Gold Coast – Volunteer Beach Patrol Members Needed - Students, Families, Staff Members!**

Did you ever dream of becoming a beach patrol member, but ocean waves make you nervous? Neptune Royal Life Saving Club has a place for you!

For decades, Neptune Royal Life Saving Club has had volunteer beach patrol members watch over Tallebudgera Creek beach from September to April. “Talle Creek” is a wave-free waterway that is suitable for those who love the ocean water but not the waves.

We are looking for new patrol members to volunteer one weekend per month, (two half days or a full day). In return, Neptune will provide lunch, barista coffees, snacks, uniforms, and all training including Bronze Medallion and First Aid. Membership is only \$20 per year and if you live outside of the Gold Coast area, accommodation is also available.

The Neptune Clubhouse, located in Palm Beach, overlooking the beautiful Jellurgal Aboriginal Cultural Area and the Burleigh Headland, directly on the south side of “Talle Creek”.

We are having an Open Day on Saturday, 17<sup>th</sup> September from 10-1pm. Come over to meet our members, have a tour of our historic clubhouse, and learn water safety skills. Plus, beach games and face painting for the children. Finishing off with a fabulous sausage sizzle.

If you want to be a part of a community of people who love to help others and spend time in a beautiful location – reach out to us today!
