

Pacific Motorway (M1) – Varsity Lakes to Tugun upgrade

Package C Palm Beach to Tugun (PB2T) – Temporary closure of Sarawak Avenue, Palm Beach

October 2022

Background

Package C of the Palm Beach to Tugun M1 upgrade involves widening the M1 to a minimum of 3 lanes in both directions, including the overpass over Sarawak Avenue.

As part of this work, oversized concrete bridge components need to be lifted into place. To allow for the safe lifting of these bridge components and other bridge construction activities, Sarawak Avenue will be closed at various times over the next 12 months until the new overpass is completed.

What to expect

During these works, residents, pedestrians, and motorists can expect:

- Temporary closure of Sarawak Avenue near the M1 overpass. **This closure will be for one night from 8pm to 5am on Sunday 16 October** (or the next available night if cancelled)
- Temporary road closures at other times over multiple nights – motorists, residents and businesses are advised to take note of electronic message signs on Guineas Creek Road and Sarawak Avenue advising of any upcoming road closures
- Motorists are advised to seek an alternative route when Sarawak Avenue is closed (See *indicative map overleaf*)
- There will be ongoing nightworks associated with this work
- The pedestrian detour on Sarawak Avenue will remain in place during bridge works

- Pedestrians and cyclists are advised to pay extra attention approaching the work areas. Please follow any detour signage that may be in place, only use open pathways and pedestrian crossings, and keep out of work zones and off roadways for safety reasons.

It is important to note, the work schedules above may change due to weather, contractor and/or site conditions.

Keeping informed

Contact the project team on the details below to register for free and regular updates or for further information about these works.
