

Pacific Motorway (M1) – Varsity Lakes to Tugun upgrade

Package C Palm Beach to Tugun (PB2T)

Opening of new eastern service road in Palm Beach

February 2023

Background

Package C of the Varsity Lakes to Tugun M1 upgrade involves widening the M1 to a minimum of three lanes in both directions and includes construction of an eastern service road in Palm Beach.

The new one-way service road will link Palm Beach Avenue to Sarawak Avenue (and Guineas Creek Road) providing an alternative southbound route for locals to access recreational facilities, schools, shops, and services without entering the M1.

The existing M1 southbound Exit 93 off-ramp direct to Sarawak Avenue will permanently close to allow for an extended Exit 92 southbound on - ramp and to reduce merging and weaving at this location.

Refer map overleaf.

What to expect

Residents and motorists can expect the following:

- New one-way service road open from Palm Beach Avenue to Sarawak Avenue. From the evening of **20 February 2023**, access to Sarawak Avenue and Guineas Creek Road from the M1 southbound will be via the Exit 92 southbound off-ramp.
- M1 southbound Exit 93 off-ramp to Sarawak Avenue will permanently close.
- If motorists are unaware of the traffic change or have missed the signage, they will need to continue on to Exit 95 (Stewart Road) and U-turn at this interchange.

- Work to construct the new service road will require numerous short and long-term changes to traffic conditions until complete.
- There will be ongoing nightworks associated with this work.

It is important to note, the work schedules may change due to weather, contractor and/or site conditions.

Keeping informed

Contact the project team on the details below to register for free and regular updates or for further information about these works.
