Nominal (supervised) hours represent the supervised structured learning and assessment activity required to sufficiently address the content of each unit (acknowledging that progress can vary between learners). Nominal (supervised) hours are assigned to learning and assessment activities that are delivered via face-to-face, online and/or structured distance education. Unsupervised hours represent activities that contribute to achieving the course outcomes that are not supervised by an RTO trainer or assessor. These may include activities such as non-supervised work experience, field placement, private study and/or assignment work.

COURSE OUTCOME Students successfully completing this course will be issued with a Nationally Recognised Qualification
