

Girls Can Trade Up Mentoring Program

Setting you on the pathway to success

- Career advice
- Support and guidance
- Transition services
- Mentoring services
- Networking opportunities

A trades Apprenticeship can transform your life and open up amazing career opportunities to you.

Are you looking at entering the world of trades? The Girls Can Trade Up Mentoring Program is here to support you.

How Mas will help.

Before you start an Apprenticeship or Traineeship:

- ✓ Advice to find the right career path for you
- ✓ Exclusive access to jobs through the Mas Jobs Board
- ✓ Links to industry, organisations and employment opportunities

During your training:

- ✓ One-on-one mentoring and support
- ✓ Connection with Trades Associations
- ✓ Access to industry resources
- ✓ Events where you can meet other like minded people

We've got your back!

Our on-going support is flexible, and we are here to work together to help you complete your trade and to increase your opportunities.
