

Introduction to Veterinary Nursing

Love the idea of pursuing a career with animals but not quite sure where to start? Our 5 week course will give you an insiders overview of life as a veterinary nurse. Get a jump start on the skills and knowledge required to succeed in this competitive but rewarding industry.

Over the duration of this course we will cover:

- General job overview
- Career pathways
- Medical nursing
- Surgical nursing
- Animal handling
- Body language
- Large animals and wildlife
- Surgery
- Anaesthetic
- Radiography
- Ultrasonography
- Pathology
- Emergencies
- Customer service
- Assisting in consults
- Emergency nursing

Finishing in the final week with a behind the scenes tour at a Veterinary Hospital in Oxenford, students will need to arrange their own transport. This tour will be discussed with students in the first class to give plenty of notice.
