VOLUNTEERS

POSITIONS VACANT we are searching for a **Gear Steward & Referee Officer** to help out on home match days, if you are interested in joining the committee & getting more involved this could be you! Each week rugby is made possible by the dedicated work of volunteers. From the club president, committee, team coaches and managers, referees and ground officials. They say that "many hands make light work", but all too often the same people are volunteering each week. There are plenty of ways you can help, such as setting up the fields on game days, and packing up. All equipment gets stored at the clubhouse and is to be cleaned off and put away – any help would be very much appreciated.
