The Ecovillage at Currumbin – RRR Treasure Chest Sale

The Ecovillage is having a Treasure Chest Sale at their RRR Centre on Saturday 21st and Sunday 22nd August. There will be a sausage sizzle, lemonade stand and live music and lots of second hand treasure to buy such as books, clothing, toys, bric a brac, furniture, kitchenware, appliances, jewellery, shoes, bags, bikes and much more...

“The RRR (Reduce, Reuse, Recycle) Centre was built last year and is an integral part of The Ecovillage Currumbin becoming a sustainable world best practice community. The centre which Recovers Resources Respectfully is a hub for managing the village's resources, which are typically considered waste, and tries to redirect as much of the resources out of the landfill waste stream as possible,” says event organiser Katrina Julienne.

The proceeds raised from the sale will be directly ploughed back into further improving the RRR Centre, which also aspires to be a place of education and influence for change at a government and industry level.

“We hope that one day the RRR Centre will be able to play a key role in managing the Currumbin Valley's resources and be an example to the world of what a community can do to protect our environment through effective resource management,” Katrina says.

The sale is on from 8am to 3pm each day at 639 Currumbin Creek Road, Currumbin Valley, 4223.

Ends
