

Interested in a Career in Hairdressing?

Get qualified at school with a SHB20216
Certificate II in Salon Assistant

Training will be conducted in Coolangatta and at a live hair salon – to enable students to complete both their theory and practical training in the one location at the same time. This gives our students an invaluable advantage as they do not need to go out and source their own work experience to complete the necessary practical components of the qualification

Delivery: Conducted on site at Coolangatta with real salon practical work completed in a real salon in Currumbin Waters. Practical salon work is conducted intensively on a Monday during school holidays.

Cost: VETIS funded for Eligible participants (If VETIS funding has been used please contact us for a fee applicable to the course}
