GC City Libraries

City Libraries invite you to **Make Create Day** on **Saturday 28 October 2017**.

Make Create Day will be a simultaneous family fun day of programs, workshops and events showcasing activities with a maker or creative focus across our library locations. Programs and activities will be interactive, hands on, with something for everyone in the areas of science, engineering, the arts and technology. Discover a new craft, make something, learn a new skill and connect with your local community.
