

Residential access

Exit routes are an option for local residents between the hours of **12.30am – 6.30am on Thursday 5 April and Saturday 7 April 2018.**

If using the roads during the designated exiting time period, please be aware that you are driving in closed road conditions. To ensure the safety of workers installing infrastructure on the road, please drive under 40 km/hr, use your hazard lights, and follow the direction that the changed traffic conditions map outlines.

Please be careful and follow any direction given by staff and traffic controllers. No vehicles can access affected roads at any stage throughout competition days other than residents within local access area.

How will travel be affected?

To ensure safety and the smooth running of this competition there will be temporary changes to traffic, parking, public transport and access to some areas. If you have to travel during this time, please be aware that the roads will be busier than usual. Plan ahead and leave plenty of time for your journey. Pedestrian access will be maintained along the competition route, so walking and cycling may be better options to access local areas.

EMERGENCY SERVICES

Emergency services will have access to all areas at all times:

- Please call 000 in case of an emergency.

TRAVEL TIPS

- Avoid coastal roads and use western roads.
- If you need to travel during road closure hours, park west of affected roads.
- For additional travel tips visit getsetforthegames.com

Embrace the Race!

The GC2018 Road Events will give everyone the chance to line the streets, catching the exciting and fast-paced action of world-class international sport across the Gold Coast.

The Triathlon events will show a true test of fitness, skill and endurance. There are some great vantage points along the course where you can view the cycling and running stages of the race for free and cheer on the athletes.

For those wanting to party, the CBD Street Party is a free public celebration being held in Gold Coast Chinatown, Southport and will run every day of the Games from early until late. There will be a big screen televising the Games, a daily line-up of the best local live music acts, artistic installations and plenty of activities to entertain the kids. Why don't you stop off there on the way to or from the Triathlon events?

PARKING CHANGES

During the event, there will be changes to on-street parking along the race route and in nearby areas:

- Vehicles should not be parked on any affected roads shown within the road closure area in red shaded area on the map from 12.30am to 6pm on 5 April and 7 April 2018.
- Parking restrictions will be sign posted in advance of the event.
- Towing will commence from 12.30am on Thursday 5 April and Saturday 7 April. For towing enquires, please call Policelink on 131 444.

TRAFFIC MANAGEMENT

Police, traffic controllers, security guards and volunteer marshals will be located on the course. If possible, we suggest you make alternative travel arrangements to avoid delays and help keep traffic to a minimum:

- Please be patient and follow the directions given.
- Only local residents will be able to exit affected roads during exit periods.
- No access will be permitted at all times except for the yellow shaded areas on the map.

Important information about the Triathlon

Thursday 5 and Saturday 7 April 2018

The Gold Coast is about to host the 2018 Commonwealth Games and this is the chance for all residents to be part of this exciting event.

This once in a lifetime opportunity will see 11 days of world class competition from 4-15 April 2018 on our doorstep. Support from the community is essential in making this a successful international event. Grab this chance to experience the Games atmosphere, the sporting events, the Festival 2018 entertainment and extend a warm welcome to our athletes and visitors.

This will bring challenges to our roads and waterways, and may bring changes to our daily lives, however these games will offer our community more than a legacy of bricks and mortar but great memories and opportunities for future generations.
