

Stand United for Luke

Dear Community Supporter,

In March of this year, Luke Sullivan and his family were told the words no one ever wants to hear "You have stage 4 Lung cancer and it is incurable & untreatable"

Luke, along with his wife Paula and 2 children, Abby & Joel are still trying to come to terms with this devastating news, and Luke being the main source of income for their family has had to make the difficult decision to quit his job.

This is where **WE** as a community **JUMP IN & UNITE!**

We are reaching out to our local community to '**Stand United for Luke**' and are currently seeking the support of our local community members and businesses through donations. These can be by way of gift voucher/certificate, product supply for raffles/auctions at the Family Fun Day Fundraiser we will be holding. (Date & venue to be confirmed) or by way of direct financial support to 'The Sullivan Family Appeal'.

If you are unable to support Luke and his family in this way, we ask kindly if you could please spread the word by sharing this letter through your database/media sites/newsletters etc.

In return for any assistance we will acknowledge your business through our event page and on a thank you wall, please provide your logo. Also head to our Facebook page '**Stand United for Luke**' to keep up-to-date with upcoming events, funds raised to date, and any news/photos.

Kind regards & thank you for your consideration,

Megan and the Fundraising Committee.

& Joel Sullivan**
