Once received, the completed nomination form will be sent to the selection panel for consideration.

The selection panel will comprise members from different sectors of the education community.

Three of the nominees from each region will be selected to receive full scholarships.

One nomination received from each school will receive a half a scholarship. From this pool three nominees from each region will be selected to receive a full scholarship in the Diploma course of their choice.

It is our preference that there is no prior notification provided to a student who has been successful in receiving a full scholarship, this should be announced at the speech/awards night.
