

# Senior School Guidance Officer Report

# **Guidance Officer role**

- Welfare/mental health/wellbeing support
- Link students/families with outside agencies for further support (i.e Headspace, CYMHS)
- Study plans and links to tuition services
- Career/University guidance

Counselling is provided to individuals or small groups for the purpose of supporting students in relation to personal, social and/or emotional issues, which may or may not be related to the student's education. A student who commences counselling with a Guidance Officer is able to stop at any time. Information a student shares with the Guidance Officer during counselling is generally kept confidential but may be used and/or disclosed with the consent of the student, or if the disclosure is authorised or required by law.

If a student sees a Guidance Officer for counselling, they may disclose information about their personal affairs unrelated to their education. A Guidance Officer will keep this information confidential unless they believe it is necessary for the safety and wellbeing of the student to share the information with someone else. The Guidance Officer will usually seek the consent of the student first, but in some circumstances they can disclose information a student has shared if the law authorises the disclosure. For example, a Guidance Officer would be obliged to disclose information for the purposes of child protection under the EGPA and the Child Protection Act 1999.

# Support services for the young person

Lifeline: 13 11 14 (24 Hrs)
Kids Helpline: 1800 55 1800 (24 Hrs)

## **Parent information**

- https://www.gcaa.gld.edu.au/parents-carers/senior/pathway-planning
- https://www.ariffith.edu.au/apply/admission-pathways/vet

#### Other Student resources

- Student Connect
- <u>Study Queensland</u> information for international students on Queensland study opportunities, universities, programs, courses, visa procedures, costs, lifestyle and Australian education contacts worldwide
- Queensland Ombudsman independently reviews the administrative actions of state government agencies
- <u>Australian Qualifications Framework</u> national framework for all regulated qualifications in Australian education and training

<u>UQ College Best Foot Forward Program – Current Year 12</u>. Please be aware of an exciting new opportunity for Year 12 leavers going to University in 2019. Students entering The University of Queensland in 2019 may be interested in the <u>Best Food Forward Program</u> (BFF).

This program has been designed and developed in response to research and actual data Which indicated the following:

- Transitioning from High School to University can be challenging;
- Curriculum from University requires a new kind of engaging with a learner;
- Students often require timely access to support services at University;
- Students want to connect and build relationships.

It is clear that there is an established link between under-preparedness and attrition within the first year of study. The essence of the **Best Foot Forward Program** is simply aimed to prepare students before they commence their studies at The University of Queensland.

BFF Program is over 3 days at the beginning of February 2019 and is 4 hours per day at The University of Queensland's St Lucia Campus. The cost is \$100. To register and pay please contact UQ College on 3346 1695.

# Year 12 Students wanting to do Medicine or Dentistry at UQ in 2020 please be aware that the UMAT Admissions Test will be replaced by UCAT in 2019

Beginning with current Year 11's, all applicants intending to sit the UMAT in 2019 for entry to university in 2020 will need to sit the new University Clinical Aptitude Test (UCAT). From 2019 onwards, the UMAT test will be discontinued.

UCAT will become be a mandatory admissions test for the Doctor of Medicine (provisional entry) and Dental Science at The University of Queensland.

The registration for the UCAT will open in March 2019 and close in mid-May. The UCAT will be offered on a choice of dates throughout the month of July, rather than on one single date.

The test consists of five, separately timed, subtests:

- Verbal Reasoning
- Decision Making
- Quantitative Reasoning
- Abstract Reasoning
- Situational Judgement Test

For more information about the new test, including testing dates and format visit <u>UCAT</u> online.

# **Preparing for UCAT**

UCAT ANZ have a number of preparation materials available to assist students in preparing for the UCAT - these include:

- Practice examinations (timed)
- An online, interactive tutorial that teaches students how to approach questions and useful test strategies
- An incredibly detailed bank of example questions

We strongly encourage students to use the officially produced materials. Candidates should be aware that whilst there are many commercial companies publishing books and offering coaching for our tests, the UCAT ANZ Consortium does not work with any of these companies or endorse the use of their materials. Taking advantage of these opportunities can cost candidates a great deal of money and we would advise you to be sceptical about claims they can help you do well in the test by coaching.

You can find the official preparation materials here.

# UCAT Medical School Test Prep – Free Question Bank

Receive access to Kaplan's UKCAT Question Bank for free! It provides 3 full-length practice tests and over 2500 test-like practice questions. Use this resource to explore UCAT questions and provide your students with a head start in preparation for this test.

Access it here

Study Medicine Information Resource

Medical degree information is complex, it's hard to compare degrees and detect when details have changed.

The new <u>Study Medicine</u> website enables students to maximise their chance of becoming a doctor by providing details of the 57 direct entry medical degrees and degrees that lead to undergraduate or postgraduate medicine

You can find Study Medicine on Twitter, Facebook or email: <a href="mailto:admin@studymedicine.com.au">admin@studymedicine.com.au</a>
Find out more - <a href="mailto:https://www.studymedicine.com.au">https://www.studymedicine.com.au</a>
